Wicked Issue Dilemma Framework

Take Action

•Save resources
•Deeper understanding
•No "collapse" (econ/envi/soc)
•Reduced suffering
•Saleable technology
•Economic infusion

•Resources diverted
•Other issues unaddressed
•Research and understanding
•Economic activity
•Some economic recovery-tax
•Some activity salvageable

Necessary

| Prepared | Wasted $ |
| Unprepared | Saved $ |

Unnecessary

•Maximum damage/collapse
•No understanding/expertise
•More expensive to remedy
•No transferable knowledge
•Time-lag to begin
•No equipment/infrastructure

•Resources used elsewhere
•Other knowledge gained?
•No "collapses"
